STUDENT'S ELECTIONS

22-23-24-25 MAY 2023

Vote Alter.POLIS, for an university that gravitates around us

IL PROGRAMMA IN PILLOLE

RIGHT TO STUDY

What have we done?

- Total coverage of student grants: thanks to mobilisation of students
- Reduction of merit criteria: we have reduced the number of cfus for applying for scholarships in some courses and accommodation
- Reopening of the Borsellino canteen with longer opening hours
- More study rooms: at polito, we reopened the “ex-reale mutua” study room and the t-classroom complex; for edisu, we had 2 new study rooms opened and activated the “campus diffuso” project

What do we want to do?

- Increase the isee/ispe threshold: so that more people can apply for the grant and the sleeping accommodation
- Anticipation of student grants: to support students starting in october
- Students accommodations: we call for new facilities, more beds, increased wi-fi connection
- Canteens: review of price increases, opening of the first canteen in Mirafiori, introduction of vegetarian/vegan alternatives

EDUCATION

Submissions:

- Video lectures of all courses, all years: make studying and working together a reality
- Exemptions and partials: the regulation of midterms in addition to ordinary examinations.
- Cla as a true linguistic centre: it's left to the university to take charge of the english certification and not only.
- More support for workshops
- Number of exam sessions and extraordinary sessions: reintroduction of midterm sessions for master's degrees and extension to everyone

TAXES

What have we done?

- Fee regulations with a no tax area up to € 26 500
- GTT season ticket refund

What do we want to do?

- Reduce student contribution
- Extension of public transport refunds for daily commuter students

COMPANIES

We want to keep research within the politecnico fair: the role of research in society should be the improvement of our well-being.

TRANS-FEMINISM

What have we done?

- Direct election of student representatives to the guarantee committee
- Recognition of the alias career

What do we want to do?

- Introduction of an information desk
- Development of the listening desk
- Inclusive language
- Anti-harassment and anti-homophobia regulation

AREAS

What have we done?

- Study rooms reopening on saturdays
- Free classrooms as study rooms

What do we want to do?

- Outdoor investment: we want to make outdoor spaces on our campuses more comfortable and liveable.
- More study rooms of higher quality
- Teams-dedicated study rooms: we call for the establishment of dedicated spaces for workshops and team work.

SUSTAINABILITY

- Trasports: new safe and secure bicycle parking spots at all sites
- More water points at all sites, up and running and placed where convenient.
- Renovate the 'great challenges' course: the courses should be completely rethought, while keeping the original aim, so that they can lead to a development of the human side of each of us.

PSYCHOLOGICAL WELL-BEING

Disability, neurodiversity, health and anti-ability: adequate training, recognition of unseen and psychic illnesses, dedicated mentoring and more attention to fragile individuals are crucial for a better university.

REPRESENTATION

Didactic manager / orientation courses: we believe that it is necessary to improve the ways in which the services offered by the politecnico and the procedures they require are conveyed, from the very first day of class.

OUTER FACILITIES

- Library lending with delivery between locations.
- Different campuses, same price: revision of tenders to make student service prices even.
- Development of the mirafiori, valentino and lingotto sites: 1 canteen per site.

INTERNATIONAL STUDENTS

- Complete translation of the portal and e-mails from politecnico
- Learning basic italian language and culture
- Promote cultural activities at Politecnico
- Part time collaboration opportunities
- Clarifying the procedure for apply to the residence permit
